

NEW 2012 UPDATED Hazing Education DVD Purchase Order Form

At one time confined almost exclusively to colleges, today hazing has become a much more significant issue at the middle and high school level with over 1.5 million incidents reported each year.

One unit on the DVD will inform students and parents:

- What is hazing?
- What are the results and consequences of hazing?
- What can be done to prevent it from happening?

Another unit on the DVD will inform Athletic and Activity Administrators, Principals, and Coaches:

- What is hazing?
- Why does hazing take place?
- Hazing and the Law.
- Why anti-hazing school policies and procedures are important.

A third unit on the DVD includes a resource page that catalogs every states anti-hazing adopted laws with a sample pledge form for students and parents.
